

When you think about summer trips, jobs, and friends, don't forget about your data. If you're planning on graduating this year or have recently graduated, your Office 365 subscription through school will eventually end. Make sure your work comes with you. **Microsoft is offering you a 12-month Office 365 Personal subscription for \$12*** to help make the transition from school to work a little easier.

What does this mean? By purchasing Office 365 Personal you can preserve all your documents, notes, and anything else you have stored in your student account. You'll still be able to access the most up-to-date versions of your favorite Office tools like Word, Excel, PowerPoint, and OneDrive.

Click the link below to access your offer and additional support resources and tools, including:

- Office 365 Personal: \$12 for 12 months (one year only)
- Other Office product offerings
- LinkedIn Premium special offer
- Microsoft in-store workshops

Good luck to you in the future.

12 months of Office 365 Personal for \$12. Discount on first 12 months only. If you're an existing Office 365 Personal subscriber, the discounted period will be added to the end of your current subscription term. Credit card required. Following the discounted year, we will charge you \$69.99, plus applicable taxes, each year to continue your subscription. You will be notified of any price changes. Cancel any time to stop future charges by visiting your Microsoft account. You must have a valid school email address from an accredited higher educational institution in the U.S. that currently subscribes to a qualifying Office 365 or Microsoft 365 higher education SKU. To check eligibility, submit your valid school email address here <https://www.microsoft.com/education/alumni-discount>. Offer not transferable or combinable with other offers; one per person/Microsoft account. Discount does not include taxes. US only. You must accept the license agreement, see www.microsoft.com/useterms.
